## **LETTER FROM THE MINISTRY TEAM**

God saw all that he had made, and it was very good. The Lord God took Adam and put him in the Garden of Eden to work in it and take care of it.

Genesis 1:31, 2:15

Creation and its development is seen by the writer of Genesis as a joint achievement - something in which God involves the human beings of his world, listening to them and learning from their experience of using the world he has made available to them, so that it can become even better.

If we think back through the history of the human race we can see how over thousands of years, human beings have made further and further advances in understanding and using the world. Not all of these have been for the best. There is the ongoing debate about nuclear energy - a force which can destroy as in the Nuclear Bomb, or provide cheap electricity which we depend on. Highlighted again in the recent film release of Oppenheimer.

Genetic engineering - which has had the benefit of providing different kinds of wheat which will grow in some of the harshest of climates, providing much needed crops and food for people who have little to eat - or the fears of genetic mutations which will affect the balance of life in the world. With the war in Ukraine affecting the production of wheat and other exports, the work being done in securing food supplies is challenging. Or the production of drugs, which can be used to heal, or can be used by addicts, and cause immense suffering. The emergence of Covid-19 has brought about immense questions about development of vaccines to combat infections.

These are all ways in which humans have co-operated with God (perhaps sometimes without knowing it). We need to think carefully about how we use new discoveries, and how we find ways of applying those discoveries so that more and more people benefit.

As people of faith, we believe that God must surely rejoice and be glad that his creation has been so gloriously developed, that creative minds have been able to explore in so many varied areas. When advances are made or wrongs put right, they are the cause for joy and delight, for God as well as the humans who are made in his image and likeness.

So it is at our Harvest services that we rejoice with God in his creation, rejoice with those who use their skills to provide for our daily needs, and find ways to share with those who have little from the abundance of this world.

And in co-operation with our God who has bestowed on us our gifts and abilities we are reminded of the part we play in sharing the good news of his love.

Bryan

## **SOLWAY PLAIN NEWS**

### **Healing service**

Our monthly healing service for October will be on Sunday 15th in St John's, Newton Arlosh starting at 4.00pm.

Do join us for a service of quiet prayer and reflection where we seek God's healing and wholeness.

### **Prayer line.**

As part of our parish prayer life we would like to hear prayer requests either for yourself or for those you know who need prayer. We will then pray for them in the monthly healing service and in our own prayer time. There are two ways to pass prayer requests to the team. You can either call Francess McIntyre on 07967376356 or email [prayer@solwayplainchurches.org.uk](mailto:prayer@solwayplainchurches.org.uk)

All we need is a name and a brief description of what we are to pray for, we do not need much detail, if God knows when a sparrow falls to the ground he knows what we are all going through and how to help. If the request is for someone else please check with them that they are happy for you to pass their name on for pray

### **Licensing of Revd Andrew Callaway in Patterdale**

## **SOLWAY MISSION COMMUNITY**

### **PRAYER SUPPER**

Friday October 6th at 6pm  
Wigton Methodist Church

Acts ch 2 vs 42 – And they devoted themselves to the apostles' teaching and fellowship, to the breaking of bread and the prayers.

To reopen our series of united prayer meetings, all members of the Solway Plain Mission Community – Wigton, Silloth, Aspatria and the associated churches – are invited to imitate the early Christians in Jerusalem and come to a bring and share supper.

We can eat and chat together and then devote some time to reflection on prayer, sharing concerns and blessings.

Do take this opportunity to unite together informally and share food for our bodies and our spirits.

For more information and to give us an idea how many are coming, please contact Alan Fearon 016973 42454 or Tim Barker 016973 31246

### **Abbeytown Parish Council**

We would like to thank local businesses, residents and all that attended our first family fun day. We had an amazing turn out, we've estimated there was about 400-500 people. Monies from the tombola, raffle and donation buckets totalled £1023.75 which we will put straight back into events for Abbeytown. What an amazing village we are.

We would like to ask local residents if they have any old pictures of the village that we could borrow. We are creating a new village sign and would like some old pictures to add on. Can be collected and returned. Please message Ashleigh on 07950300027 or contact our Facebook page (Abbeytown Parish Council)

St. Mungo's Church Yard Tidy – Many thanks to all those that helped with the churchyard tidy up. Helpers included Sue Shardlow, Lucy and Adam, Lorraine Brough, Kirsty Fullerton, Mary Douglas and Paul Reid. A huge thank you to Ian Brough, John Lee and Messrs Armstrong as not only did they provide heavy machinery and tools, they also provided the labour. A new social group for those that are widowed will be starting in September.

We meet on the 3rd Sunday in every month from 1-3pm at Cornerstone Methodist Church in Wigton. It will be a time to get together for tea/coffee and a light lunch followed by different activities such as watching a movie, enjoying a sing along and crafts just to name a few. We will also look forward to day trips out and enjoy being in the company of others that share our experience.

We realise that a lot of couples live for each other and don't necessarily have any other circle of friends or even family, so when one partner is no longer there the remaining partner is left feeling vulnerable and isolated. The purpose of the group is to build friendships, know they are loved and realise there is still hope. Our loved ones will always be loved and missed but we can still find some happiness and friendship together.

Anyone that is widowed is welcome to join us young or old, male or female and transport can be arranged if needed.

Our first get together will be Sunday 17th September 1-3pm where we will have lunch and a chat followed by a performance from the Oompah Funf brass band quintet.

Following dates are:

15th October – Chocolate Bingo

19th November – Christmas Crafts

17th December – Christmas Dinner and Carols

21st January – Movie

18th February – Musical Memories Singalong

17th March – Quiz

.' Two Steps Backwards' by Susie Kelly, the misadventures of an English woman in France. She and her husband became homeless when their business failed, so they decided to go to France where they finally get an old farmhouse which is almost falling down. They are animal lovers so they gradually end up with all different kinds of animals, plus trying to make the house habitable. It is an endless tale of misadventures.

Another book by the same author is 'Best Foot Forward'.

The Housemates by Teun Toebe. Everything one young student learnt about Love, Care and Dementia from living in a nursing home. He went to live in the home for two years to see what way things could be made better for the people living there and what he did was truly amazing. He really believes things could be done much better. At any one time in the UK, it is estimated there are 94,000 people living with Dementia. It is well worth reading. ## Chaplaincy

The assessment of spiritual needs is integral to providing holistic care and treatment. Chaplains are available to assist clinical colleagues with advice, information and training. They also provide pastoral and spiritual care to individual users, carers and staff as well as opportunities for group religious services. There are designated sacred spaces (chapels/faith centres) accessible for both individual and group use on most in-patient sites of the Trust.

Chaplains and chapels are available for people of all faiths or none. The Trust wide Chaplaincy Team has considerable experience of mental health care and is staffed by representatives from a wide spectrum of faith traditions, and also has humanists on the team. The team works with diverse faith leaders and representatives in the community. Locality based chaplains have access to the resources of the wider team as and when required.

Core hours are Monday-Friday  
9am-5pm, but 24-hour on-call  
exists for emergencies.
