# LETTER FROM THE MINISTRY TEAM

## Communication

The way humans have communicated over the centuries has changed dramatically. One estimate is that humans have been on this planet for around six millions of years, during this time the way in which we communicate has changed drastically. We started by drawing on cave walls, now we use digital devices. The oldest known cave painting can be found in Spain, it is thought to be over 64,000 years old.

Petroglyphs were next, they were rock carvings using a chisel. It took about 20,000 years to move from cave paintings to these carvings. Around 9000 BC pictograms were all the rage. A pictogram is a symbol that represents something like an event or activity. Finally, graphical symbols emerged that represent an idea or feeling like night and day or heat and cold. Writings systems were then invented around 3300 BC which we now know as hieroglyphics, these focused on the use of symbols. It was 1700 BC that saw the first alphabetic system.

The English alphabet was introduced in the 16th Century with 26 letters. People were then able to write down their thoughts and communicate in the form of a letter. More modern forms of communication include television, telephone, radio and fax machines. With the introduction of the internet we now have a whole new way of communicating. Social media is now world wide, how things have changed, pictograms are back in the form of the emoji. Many assume the word emoji has roots in emotion, but the resemblance is purely coincidental. It actually comes from the Japanese for picture plus a letter, or character: a pictograph. In social media we use the emoji to portray an emotion, a happy or sad face but what do they actually tell you about mood. For instance can you tell exactly how happy or sad a person is by what they write or which symbol they use?

The Holy Bible is a means of communication. It portrays God's relationship with his people. Jesus' words to us contain a range of emotions and intellect. By reading the bible, in book form or digitally, we can understand what God is like. Jesus tells us about the nature of God. Jesus tells us that God loved the world so much that he sent his Son so that we can have life. (John 3.16) We also read that God is love. (1 John 4.18) Being with someone, visiting each other and talking to each other is still the most powerful means of communication amongst humans. It's where we come to an understanding of the depth of emotion. This is also true in our communication with God. How do we communicate with God? How do we come to understand him, and know what he is like? We pray to him! This is the one form of communications we haven't looked at here yet. It is through prayer that we come to understand what God wants for us. It is through prayer that we know how much he loves us. Jesus shows us how to pray: 'go in a room by yourself and say, 'Our father in heaven.....' Luke c11.v 2-4.

Some people find personal prayer like this difficult and even say that God never answers prayer, but unless we try we will never know. If we pray God will show us the way of his love, a love that knows no bounds, a love that will last for all time and eternity. Part of the Lord's prayer has us asking God to do his will: 'your will be done on earth as it is in heaven', God brings the things of heaven to us on earth in the form of grace, beauty, kindness, love. In our love and communication with one another we can share God's work, do God's work.

Malcolm Stilwell

### **Prayer line**

As part of our parish prayer life we would like to hear prayer requests either for yourself or for those you know who need prayer. We will then pray for them in the monthly healing service and in our own prayer time. There are two ways to pass prayer requests to the team. You can either call Frances McIntyre on 07967376356 or email [prayer@solwayplainchurches.org.uk](mailto:prayer@solwayplainchurches.org.uk)

All we need is a name and a brief description of what we are to pray for, we do not need much detail, if God knows when a sparrow falls to the ground he knows what we are all going through and how to help. If the request is for someone else please check with them that they are happy for you to pass their name on for prayer

## *Abbeytown Community*

We met on a gloriously warm and sunny afternoon at the beginning of June to survey the wildlife in the churchyard, uploading our results to the national survey that is taking place in burial grounds all over England – Churches Count on Nature. We were pleased to find many species of wildflower that we had recorded last year, including great swathes of ox-eye daisies and fox-gloves, which made a pretty display, as well as the less showy flowers, which are no less valuable to pollinators: crosswort, garlic-mustard, willow-herbs, and several different types of grasses. A favourite was the tiny toadflax, which had planted itself in the wall crevices, and, on close-up inspection, showed itself to be exquisitely beautiful. We also went into Abbeytown School and got the children of Years 5 and 6 busy with planting sunflower seeds in the school grounds. They weeded, swept and tidied the bus shelter and then re-planted the pots there with plants for pollinators: verbenum, pinks, and oregano. Well done to all the children for working so hard!

Our next meeting will be on Saturday 6th July at 2pm when we hope (weather permitting) to be down at the allotment making raised beds – look out for further information on Facebook and on posters.

We will also be at the Abbeytown fun day at the Rec on 13th July where we will be doing Eco related crafts – we look forward to seeing you there.

### **Bromfield News**

We held a Table Top sale on May 18th in Waverton Village Hall and the weather was very kind to us. The sun shone and brought people out. We raised just under £400 from the event for church funds which was a fantastic amount. All our stalls were taken and our bakers did us proud by providing delicious home-made cakes and scones. Janet Sharp ran a Tombola stall with items donated to her. She collected, wrapped and labelled everything. Mary Douglas manned the raffle and sold donated items. Thanks to them both!

If there is a type of event that you think could benefit church funds, then please let us know and it will be considered.

Dates of Future Events to be confirmed –

Bingo with Pie and Peas supper – Wed. Oct. 30th

Table Top Sale/Craft Fair – Sat. Nov. 9th

Carols In the Pub with Pie and Peas – Tues. Dec. 10th

There will also be a Christmas Quiz available with the winner announced at The Carols in the Pub evening.

Donations are still coming in for Grass cutting and Churchyard maintenance. Thank you to all donors, it is very much appreciated.

### **Community Purchase of Blencogo Village Hall - Fundraising update.**

By the time you read this in the July issue of the Parish Magazine it will have been 2 months since the last of the public meetings and many of you may be wondering what's happening. 2 grant applications to Cumbria Community Foundation and Cumberland Community Panel each for £5k have been submitted; we expect to hear the outcome in early July 2024.

Unfortunately, the 'big' application to the Community Ownership Fund (application over £70k) is deferred until after the General Election. We will continue preparing this bid in the hope that the final window for applications will open later in the summer.

It has been really encouraging to see so many of our community & local businesses offering financial pledges of support. The figure as of 6<sup>th</sup> June 2024 exceeds £16,500. The total amount we hope to raise within the local community is a minimum of £25,000 but we are aiming for £30,000. The more money that is raised locally the better we score in the COF grant application.

We are preparing a large raffle with big prizes which you will see and hear more about over the summer. If you know someone/ a business that would be able to provide a prize please let us know.

## KIRKBRIDE NEWS

### **Kirkbride Tabletop Sale**

A tabletop sale was held on Saturday 18th May. There were a range of stalls with fundraising for various charities and private sellers too. It was good to see people visiting from further afield; Bowness, Port Carlisle and Carlisle but our regular supports were missed. The tombola raised £77.00 for Dialysis. Much needed funds for the village hall were made through the entrance fee, tabletop fee and the raffle with a brilliant £177.50 raised. Thank you to everyone who came along and made it an enjoyable morning with tea/coffee, scones and lots of cheery chatter.

### **MIND**

Our next indoor monthly meeting is 19th September 1930: Helen's Herbs at Port Carlisle Bowling Club.

Not just basil and parsley! There are lots of herbs, expensive to buy or difficult to find in supermarkets but easy to grow at home, which Helen will use to demonstrate how to get the most from and how best to look after.

She brings top quality plants of many other varieties and has a wide knowledge of recipes to make the most of the herbs easily grown at home.

Enjoy your gardens this summer and we look forward to seeing members on our garden visits.

### **ROCKING GENTLY**

On June 8th memories were stirred in Christ Church with a concert by All Saints Community Rock Squad from Cockermouth.

Directed by Brian Melville of Mawbray, the Squad - an impressive choir of nearly thirty - sang a selection of music mainly from the sixties and seventies, cleverly arranged to give a stirring new life to old favourites. Classics from the Beatles the Kinks and Elton John were among about twenty numbers that set feet tapping and lips mouthing along with the singers.

Proceeds from the choir's events, and from their "Breaking Free" CD which was on sale, go to Hospice at Home and the Sunbeams Music Trust.

### **SILLOTH GREEN DAY WEEKEND**

On 26th May Churches Together in Silloth and Aspatria opened the Green day with an open-air service at 10.30am. On an unsettled day weather-wise the rain held off until everyone had got into Christ Church for coffee.

The book fayre and sale at the church over the weekend brought in many visitors to admire the building and raised £130 for church funds.

## WAVERTON NEWS

### **Dundraw WI 4 June 2024**

The president Lesley Evans welcomed twenty-eight members and two guests to the June meeting. The afternoon began with a crafting session organised by Glynis Aspin. Members could opt to try one of five different crafts – beadwork, card making, silk flower making, box making or novelty decorations. Each group had an instructor and six or seven pupils. At the end of the hour everyone had discovered unknown talents and produced some great outcomes. The president thanked Glynis and her instructors for their patience and hard work. This was followed by a short business meeting. Items from the County News were read out and discussed. The lunch club will meet on 27th June at 12pm in the Joiners Arms, Newton Arlosh. Eileen Bell will organise a tour of Newton Arlosh Church after the lunch. Prior notice was given of our outing on Tuesday 13th August. The book club will meet in the Bothy, Blencogo Village Hall on Wednesday 19th June. Everyone welcome. A committee meeting will take place on 16th July 1.30pm at Mary Howes. " Top of the World" by Martin Hibbert, with Fiona Duffy. Martin was one of the people injured in the Manchester Arena bombing, his daughter was badly injured also. The tickets were a present to her from him, he will regret it for the rest of his life because she was badly injured. He is paralysed from the waist down, but determined not to let it ruin the rest of his life. He recalls all the help he has received from family and friends and the hospitals.

The title is " Top of the World because he climbed Kilimanjaro in a wheelchair with all his helpers and friends. It is a story of great resilience.

" Run for your Life ", is a true story of a family forced into hiding after leaking Russian secrets. Author, Sue & Nick Williams. I don't know if Nick is his real name or not but he went to work on a building site in Russia and then had to flee when he leaked secrets. He was in hiding for around eight years with his wife and children.

The story keeps you really engrossed and wanting to know more.
